

SIGN IN SHEET – ACVO ANTITRUST AVOIDANCE

Annually, each board needs to be reminded that various state and federal laws prohibit the exchange of information among competitors regarding matters pertaining to price, refusals to deal, market division, tying relationships and other topics which might infringe upon antitrust regulations, and that no such exchange or discussion will be tolerated during this meeting.

These guidelines apply not only to the formal meeting sessions, but to informal discussions during breaks, meals or social gatherings.

Please sign below to acknowledge the reminder and understanding of the statement. If signing this document online, separate from a meeting, please just enter your name, date, and signature and submit with other required documentation annually.

Thank you for your cooperation.
